

# My Family

(This article has been published in the English Street.)

3A Wong Lok Man, Candy

My father is as strong as Mr. Hong Kong  
His skin is so dark that I cannot see him at night  
But his teeth are very white and bright  
He is a G4 and very polite

My mother likes singing sweet songs  
She speaks like Miss Ho  
She eats like a snail  
And she likes taking photos

My brother is a monkey  
When my mother sees that she's so angry  
My brother is as thin as a bamboo  
Sometimes he looks like Winnie the Pooh

We are very happy  
I don't want it to be history  
Because I love my family very much
