

# Brother

(This article has been published in the English Street.)

3A Liu Sum In, Charlotte

My Brother

My family members have different personalities

Especially my brother

He is very naughty

We always fight together

He eats like a monster

He has got no manners

He always disturbs Esther

And makes her as hot as a Bunsen burner

My brother...

Is a monster

Is as noisy as a vacuum cleaner

Is a broken loud speaker

Though he is a monster

It doesn't matter

Since he is my brother
